Satisfaction Guarantee: We want the Mini/Mega Midi Sequencer product to work for you the way you need it to, understanding that different applications may require different solutions. The customer has up to 30 days, to evaluate and try the system, and if it doesn't meet your requirements you can return it for credit. The items must be returned in like-new condition. Contact us first for a return authorization (RMA). The customer pays for UPS tracked and insured shipping. Under these conditions and upon receipt of the returned hardware, a full refund will be provided, less the shipping charges. The tablet cannot be returned if it has been registered in an end user Amazon account. In that instance, we will only refund the cost of the custom hardware.

Product Warranty: The Brotech Electronics Mini/Mega Midi Sequencer custom hardware is guaranteed free from defects in material and workmanship for a period of 1 year from date of purchase. In the unlikely event that you experience a problem, contact us and we'll try to find a resolution. If the product needs to be returned for repair, contact us first for a return authorization (RMA). The customer pays for UPS tracked and insured shipping one way. Brotech does not warranty the tablet. Any tablet warranty or operating problems must be resolved through the manufacturer directly.
